

KBPS 2023

COVID-19 Procedures

Effective January 2023

SUBJECT TO CHANGE

KEY BISCAYNE
PRESBYTERIAN SCHOOL

PROCEDURE # 1 **Will be strictly enforced**

MY CHILD HAS SYMPTOMS WHEN CAN SHE OR HE COME BACK TO SCHOOL?

2 OR MORE SYMPTOMS

- Cold/Cough/Flu symptoms*
- Runny nose*
- Fatigue*
- Sore throat*
- Upset tummy/ Diarrhea
- Rash

and/or FEVER

Child may return to school when:

He/she is symptom free for 24 hours without medication AND has written note from the DOCTOR confirming a non-contagious condition.

OR

She/he is symptom free for 24 hours without medication AND negative antigen test (home test is accepted) if symptoms included the first 4 and/or a fever

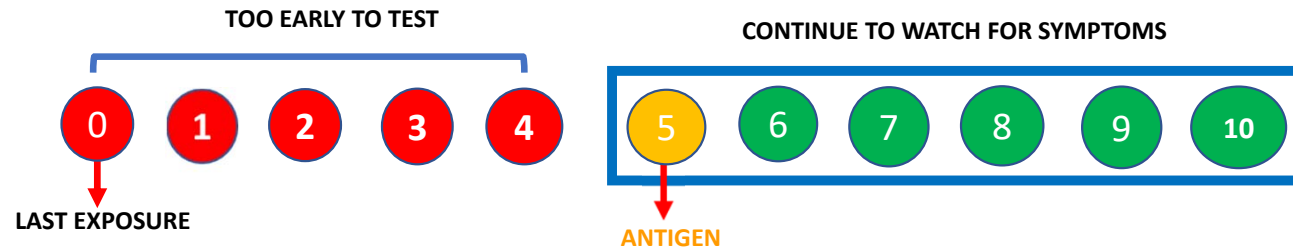

**If you or your child develop symptoms at any time, isolate from others and get tested.*

**A negative test result indicates that you did not have COVID-19 at the time of testing. COVID-19 could still develop during the 14-day period after exposure, so continue to take steps to protect yourself and others.*

PROCEDURE # 2

MY CHILD HAS BEEN EXPOSED TO COVID-19 (WITH OR WITHOUT SYMPTOMS)
INCLUDES MEMBERS OF YOUR HOUSEHOLD
WHEN SHOULD THEY GET TESTED?

- ✓ Your child may come to school, but we ask that you test your child on Day 5 with an **antigen test** and **watch very carefully for symptoms.**
- ✓ Siblings are also allowed to come to school, however, please watch very carefully for symptoms.
- ✓ Advise the office of any symptoms that may arise.
- ✓ **Decisions regarding class closures will be made on a case-by-case basis.**

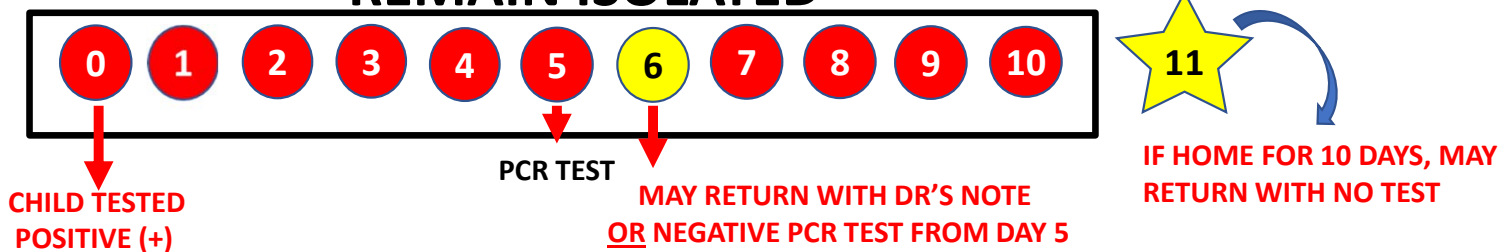

**If you or your child develop symptoms at any time, isolate from others and get tested.*

**A negative test result indicates that you did not have COVID-19 at the time of testing. COVID-19 could still develop during the 14-day period after exposure, so continue to take steps to protect yourself and others.*

PROCEDURE # 3

MY CHILD TESTED POSITIVE FOR COVID-19.
WHEN CAN HE OR SHE RETURN TO SCHOOL?

REMAIN ISOLATED

- ✓ To return on the 6th day, your child must have a **NEGATIVE (-) PCR** result from Day 5 (*antigen tests will not be accepted in this situation*)
OR
- ✓ a Dr's note stating they are not contagious.

AND

- ✓ He/she has NO symptoms and has been **FEVER-FREE** for 24 hours **WITHOUT** medication.

- ✓ Repeat testing is not required to return to school after the 10th day.
- ✓ **Any siblings of the child who tested positive must remain home according to PROCEDURE #4**

**If you or your child develop symptoms at any time, isolate from others and get tested.*

**A negative test result indicates that you did not have COVID-19 at the time of testing. COVID-19 could still develop during the 14-day period after exposure, so continue to take steps to protect yourself and others.*

PROCEDURE # 4

MASK USAGE AT SCHOOL

- **Masks are currently optional for all vaccinated and unvaccinated members of the KBPS community.**
- **This policy may change depending on the status of infection in our community.**

**If you or your child develop symptoms at any time, isolate from others and get tested.*

**A negative test result indicates that you did not have COVID-19 at the time of testing. COVID-19 could still develop during the 14-day period after exposure, so continue to take steps to protect yourself and others.*
